technical

- ▶ This Top Rail is aluminium and is made in 2m lengths, dimensions as shown.
- ▶ The top anchors are aluminium with the exception of the cranked, top edge anchors which are steel.
- ▶ Brass retainers hold the 2mm nylon or 1.5mm stainless steel cable.
- ▶ Standard finish for top rail and top anchors is powdercoat, white or silver.

This is a top-of-the-range system used extensively by architects & designers in the UK.

DON'T BE MISLED BY THE SIMPLICITY of the design of this top rail. It looks good and is incredibly versatile. This is the only system available that can be recessed.

Regardless of how it is fixed, you can choose either the more economical clear nylon hangers or the state of the art stainless steel cable hangers. There is also a choice of
